

Privacy Notice - update COVID 19

Carlisle Healthcare is committed to protecting your personal information. In the fight against this global pandemic we are currently working with all of our partners in Health and Social Care to ensure information is shared with the right people at the right time to ensure you receive the best possible care.

Data Protection rules will not hinder the sharing of personal information during these unprecedented times and we will continue to process information in accordance with national law and GDPR.

The processing of personal information relating to this is necessary for reasons of planning and providing health and social care to both individual data subjects and is in the substantial public interest in the area of public health and specifically to support the control of an epidemic. For more detailed information regarding the lawful basis to undertake these activities please see the links below:
